MC SERIES

PROFESSIONAL HEADPHONES

MC Series Headphones build on our studio monitoring legacy, offering excellent clarity, accuracy, and bass response for an immersive listening experience. All models feature large reference-quality drivers for clear, distortion-free sound with ergonomic headbands and ear pads for hours of listening comfort. MC Series Headphones allow you to take the Mackie studio sound, trusted by artists around the world, wherever you go.

FEATURES

HIGH-PERFORMANCE TRANSDUCERS

Featuring custom, reference-quality transducers, MC Series headphones deliver immersive sound that is faithful to the source.

PROFESSIONAL DESIGN

Soft padded adjustable headbands and conforming ear pads provide an ergonomic fit for hours of comfort while ensuring optimal low-end and sound isolation. Rugged designs are built to last and meet the demands of professionals in the studio or on location.

TAKE THEM ANYWHERE

MC Series Headphones are made for discerning artists and engineers, but it doesn't stop there. Experience your music, movies, and games with incredible fidelity and studio-quality sound at home or on the go.
