

THUMP GO

8" PORTABLE BATTERY-POWERED LOUDSPEAKER

A LITTLE THUMP GOES A LONG WAY

Mackie Thump GO is an 8" battery-powered portable PA loudspeaker that delivers professional live sound for mobile DJ sets, remote weddings, outdoor gigs—anywhere music goes. Thump GO delivers signature “thump” and clarity for up to 12 hours on a charge. Grab a second rechargeable battery (sold separately) for extra long gigs. Voicing modes, Feedback Eliminator and Music Ducking make sure you get excellent live sound in any setting. The built-in 2-channel mixer has inputs for mics and line sources, or pair your phone via Bluetooth® to stream wirelessly to up two speakers at once, while controlling it all with the app.

SWAPPABLE, RECHARGEABLE BATTERY

- Thump GO can deliver that signature “thump” and clarity for up to 12 hours on a single charge from the included battery. Pick up a spare (sold separately) for even more juice.

MODES

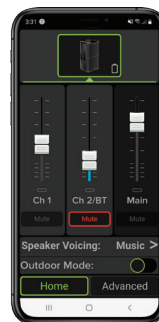

- Take advantage of advanced features like voicing modes, Feedback Eliminator and Music Ducking to make sure you get excellent live sound in any setting or application.

MIXER + BLUETOOTH®

- The built-in 2-channel mixer has two XLR/TRS inputs and a 3.5 mm stereo input. Connect mics, line sources and more, and stream wirelessly over Bluetooth®.

APP

- Pair your phone via Bluetooth® and control Thump GO with the Thump Connect 2 app. Tweak settings from the dance floor, save presets and even link two Thump GO speakers.
